...supporting creative actions to improve quality of life

**Frustrated by the games that people play?
Work teams not communicating? Missed deadlines?
Add to your employee enhancement strategy...**

RADIUS

WORKPLACE WORKSHOPS

Our expert staff work with the employer to tailor a workshop series that meets worksite needs.

Results include:

- Improved employee performance
- Increased respectful communication at work
- Safer worksite practices

*Award winning business partnership projects in Workplace Literacy (2013) and Labour Force Development (2008)

Development

Workshops promote positive work teams and increase productivity
